You must have an AVFD Players Club Card or I.D. showing address on the check. By issuing a check to AVFD you agree to pay all reasonable legal costs should it become necessary to seek legal action if your check is returned to us. You give AVFD permission to publish & display your name through any means to aid collection.

RETURNED CHECK POLICY - There is a \$35.00 charge for all checks returned to us by your bank for any reason. You will have 10 days to redeem any check that is returned to us along with the \$35.00 fee. BONANZA PROGRESSIVE TREASURE CHEST RAFFLE GAME - A single winner of the Bonanza Treasure Chest raffle game will win \$100. That winner will then get to pick one key out of the available keys and attempt to open the Treasure Chest lock. If that key opens the lock, that winner will receive the total posted progressive prize amount. If there is more than one winner of the Bonanza game, the winner with the lowest serial number on their winning bonanza card will select the key & all bonanza game winners will share any progressive prize. The progressive amount is calculated as follows: Any progressive amount carried over from the previous night + 75% of the net sales from the previous night will determine the posted amount for the current night.

LUCKY 7 GAME - The player will purchase lines for \$1.00 (\$1 per line) & either select their numbers by filling out the scantron cards or accept random numbers created by the computer program. We will post the amount of the game and the Lucky 7 Jackpot each night along with the number of calls that you must bingo within to win the jackpot. If no one wins the progressive jackpot within the specified number we will continue for \$100 or 50% of the sale proceeds for the game (whichever is less). The progressive prize will increase nightly by the lesser of \$100 or 50% of sales for that night and the number of calls needed to win will increase by 1 number until the progressive prize is won.

WINNER TAKE ALL GAMES - EB W-T-A & Regular W-T-A are 2 independent games that each pay all money collected for each independent game up to \$1000 per Virginia State law.
